

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF MICHIGAN
NORTHERN DIVISION

UNITED STATES OF AMERICA,

Case No. 2:24-cr-20

Plaintiff,

Hon. Hala Y. Jarbou
Chief U.S. District Judge

v.

MADISSON LEAH TIKKANEN,

Defendant.

REPORT AND RECOMMENDATION

Pursuant to W.D. Mich. LCrR 11.1, I conducted a plea hearing in this case on April 23, 2025, after receiving the written consent of Defendant and all counsel. At the hearing, Defendant Madisson Leah Tikkanen entered a plea of guilty to Count 1 of the Indictment, which charges her with distribution of fentanyl, in violation of 21 U.S.C. §§ 841(a)(1) and (b)(1)(C), in exchange for the promises made by the Government in the written amended plea agreement.

On the basis of the record made at the hearing, I find:

1. that Defendant is fully capable and competent to enter an informed plea;
2. that the plea is made knowingly and with full understanding of each of the rights waived by Defendant;
3. that Defendant's guilty plea is made voluntarily and free from any force, threats, or promises, apart from the promises in the amended plea agreement;
4. that the Defendant understands the nature of the charge and penalties provided by law; and
5. that the plea has a sufficient basis in fact.

I therefore recommend that Defendant's plea of guilty be accepted, that the court adjudicate Defendant guilty, and that the written amended plea agreement be considered for acceptance at the time of sentencing.

Acceptance of the plea, adjudication of guilt, acceptance of the amended plea agreement, and imposition of sentence are specifically reserved for the district judge.

Date: April 23, 2025

/s/ *Maarten Vermaat*
MAARTEN VERMAAT
UNITED STATES MAGISTRATE JUDGE

NOTICE TO PARTIES

You have the right to *de novo* review of the foregoing findings by the district judge. Any application for review must be in writing, must specify the portions of the findings or proceedings objected to, and must be filed and served no later than fourteen days after the plea hearing. *See* W.D. Mich. LCrR 11.1
